RE: NOMINATIONS FOR OUTSTANDING ADVOCACY IN CAPITAL AND
COMPLEX HOMICIDE CASES 2018-19

Dear Capital Prosecutor:

The Association of Government Attorneys in Capital Litigation annually recognizes attorneys who exhibit outstanding work in the fields of capital litigation and complex homicide prosecution. To help the Association truly recognize those that have contributed to capital litigation and complex homicide prosecution, I need your help in selecting a candidate. If you feel that someone in your office is deserving of such recognition, please send me a description of their accomplishments during the 2018-19 period, along with a photograph if possible. **The deadline for nominations is May 31, 2019.** The Association's Board of Directors will select the winners. The winners will be notified and the awards presented at the Association's summer conference to be held at the Van Zandt Hotel in Austin, Texas, August 7-10, 2019. Visit our website at www.agacl.com for more information.

Thank you for your help.

Sincerely,
