BUILDING A CULTURE OF WOMEN LEADERS

The Sixth Annual Women Prosecutors Section Gala Dinner

is a fabulous evening of cocktails, a three-course gourmet dinner and an enriching presentation within the beautiful *Chambers Grant Salon* at the Denver Performing Arts Center. The WPS is the fastest growing section within NDAA and welcomes all members and nonmembers to attend.

The *Chambers Grant Salon* is an extraordinary space enclosed in the original sandstone walls forming the foundation of the historic Newton Auditorium. The elegant salon is accessed via a stunning glass and terrazzo staircase from the main lobby of the Ellie Caulkins Opera House.

Ticket price includes a presentation along with a drink ticket, passed appetizers, a full dinner with salad, entrée and dessert. A cash bar will also be available. Large groups may purchase tables of eight. Due to limited seating, this popular event will sell out quickly. Please register and purchase your tickets soon as tickets will not be available at the door.
