

ABOUT NDAA

Founded in 1950, the National District
Attorneys Association (NDAA) is a national,
non-partisan, non-profit membership association
that provides training, technical assistance, and
services to prosecutors around the country in
support of the prosecution profession.

As the oldest and largest association of prosecutors in the country with about 5,500 members, our mission is to be the voice of America's prosecutors and to support their efforts to protect the rights and safety of the people by providing members with the knowledge, skills, and support they need to ensure justice is attained.

NDAA represents state and local prosecutors' offices from both urban and rural districts, as well as large and small jurisdictions.

NDAA serves as a nationwide, interdisciplinary resource center for research, training, knowledge building and accountability as it works to promote a fair and equitable administration of justice.

WHY BECOME A NDAA SPONSOR?

- Office administrators

Our membership includes prosecutors who have decades of experience or are just beginning their professional careers. They serve large, urban areas and small, rural communities and everything in between.

If your organization provides products or services to prosecutors or has a commitment to victims of crime, NDAA event sponsorship provides increased visibility within the criminal justice community and supports its efforts to protect the rights and safety of the American people.
