

MEET 10-YEAR-OLD BECKY'S 12-YEAR-OLD INTERNET FRIEND.

The internet is a great place to buy cars, sell collectibles and stay informed. But for child molesters, it's a new, effective and more anonymous way to sexually exploit children. To reduce the risks, you need to know the potential dangers and report them. At the National Center for Missing & Exploited Children, we've created the CyberTipline to help fight back. And it works. Since 1998, we've dealt with more than 120,000 leads and we've worked tirelessly with law enforcement to help bring these predators to justice. To report child sexual exploitation, call the police. Then call us at 1-800-843-5678 or contact us at www.cybertipline.com. Child molesters may hide behind cute screen names. But together we can expose them for what they really are.
