ALASKA

Alaska Stat. § 47.17.033 (2010) Investigations and interviews

(a) In investigating child abuse and neglect reports under this chapter, the department may make necessary inquiries about the criminal records of the parents or of the alleged abusive or neglectful person, including inquiries about the existence of a criminal history record involving a serious offense as defined in [AS 12.62.900](#).

(b) For purposes of obtaining access to information needed to conduct the inquiries required by (a) of this section, the department is a criminal justice agency conducting a criminal justice activity.

(c) An investigation by the department of child abuse or neglect reported under this chapter shall be conducted by a person trained to conduct a child abuse and neglect investigation and without subjecting a child to more than one interview about the abuse or neglect except when new information is obtained that requires further information from the child.

(d) An interview of a child conducted as a result of a report of harm may be audiotaped or videotaped. If an interview of a child concerns a report of sexual abuse of the child by a parent or caretaker of the child, the interview shall be videotaped, unless videotaping the interview is not feasible or will, in the opinion of the investigating agency, result in trauma to the child.

(e) An interview of a child that is audiotaped or videotaped under (d) of this section shall be conducted

(1) by a person trained and competent to conduct the interview;

(2) if available, at a child advocacy center; and

(3) by a person who is a party to a memorandum of understanding with the department to conduct the interview or who is employed by an agency that is authorized to conduct investigations.

(f) An interview of a child may not be videotaped more than one time unless the interviewer or the investigating agency determines that one or more additional interviews are necessary to complete an investigation. If additional interviews are necessary, the additional interviews shall be conducted, to the extent possible, by the same interviewer who conducted the initial interview of the child.

(g) A recorded interview of a child shall be preserved in the manner and for a period provided by law for maintaining evidence and records of a public agency.

(h) A recorded interview of a child is subject to disclosure under the applicable court rules for discovery in a civil or criminal case.

(i) The training required under (c) of this section must address the constitutional and statutory rights of children and families that apply throughout the investigation and department intervention. The training must inform department representatives of the applicable legal duties to protect the rights and safety of a child and the child's family.

(j) During a joint investigation by the department and a law enforcement agency, the department shall coordinate an investigation of child abuse or neglect with the law enforcement agency to ensure that the possibility of a criminal charge is not compromised.

(k) Unless a law enforcement official prohibits or restricts notification under (j) of this section, at the time of initial contact with a person alleged to have committed child abuse or neglect, the department shall notify the person of the specific complaint or allegation made against the person, except that the identity of the complainant may not be revealed.

(l) In this section, "child advocacy center" means a facility operated with a child-focused, community partnership committed to a multidisciplinary team approach that includes representatives from law enforcement, child protection, criminal prosecution, victim advocacy, and the medical and mental health fields who collaborate and assist in investigating allegations of sexual or other abuse and neglect of children.

The guidelines shall include procedures for determining whether or not a child should be taken into protective custody. The guidelines shall also include procedures for minimizing the number of times a child is interviewed by law enforcement personnel.

(b) The course of training leading to the basic certificate issued by the commission shall, not later than July 1, 1979, include adequate instruction in the procedures described in subdivision (a).

(c) The commission shall prepare and implement an optional course of training of specialists in the investigation of cases in which a minor is a victim of an act of abuse or neglect prohibited by this code.

The commissioner shall obtain the consent of parents or guardians or other persons responsible for the care of the child to any interview with a child, except that such consent shall not be required when the department has reason to believe such parent or guardian or other person responsible for the care of the child or member of the child's household is the perpetrator of the alleged abuse. (2) In any civil or criminal action or proceeding in which it is alleged and proved that

participation in the making of a report under this section was not in good faith or participation in a judicial proceeding resulting from a report made under this section was not in good faith, the court shall award the prevailing party reasonable attorney's fees and costs and, if a civil action or proceeding is voluntarily dismissed, may award reasonable attorney's fees and costs to the party against whom the civil action or proceeding is brought.

Nothing in this division shall preclude the use of reports of other incidents of known or suspected abuse or neglect in a civil action or proceeding brought pursuant to division (M) of this section against a person who is alleged to have violated division (A)(1) of this section, provided that any information in a report that would identify the child who is the subject of the report or the maker of the report, if the maker of the report is not the defendant or an agent or employee of the defendant, has been redacted. (3) A person who knowingly makes or causes another person to make a false report under division (B) of this section that alleges that any person has committed an act or omission that resulted in a child being an abused child or a neglected child is guilty of a violation of section 2921.14 of the Revised Code.

(4) If a report is made pursuant to division (A) or (B) of this section and the child who is the subject of the report dies for any reason at any time after the report is made, but before the child attains eighteen years of age, the public children services agency or municipal or county peace officer to which the report was made or referred, on the request of the child fatality review board, shall submit a summary sheet of information providing a summary of the report to the review board of the county in which the deceased child resided at the time of death. On the request of the review board, the agency or peace officer may, at its discretion, make the report available to the review board. If the county served by the public children services agency is also served by a children's advocacy center and the report of alleged sexual abuse of a child or another type of abuse of a child is specified in the memorandum of understanding that creates the center as being within the center's jurisdiction, the agency or center shall perform the duties and functions specified in this division in accordance with the interagency agreement entered into under section 2151.428 [2151.42.8] of the Revised Code relative to that advocacy center.

(5) A public children services agency shall advise a person alleged to have inflicted

abuse or neglect on a child who is the subject of a report made pursuant to this section, including a report alleging sexual abuse of a child or another type of abuse of a child referred to a children's advocacy center pursuant to an interagency agreement entered into under section 2151.428 [2151.42.8] of the Revised Code, in writing of the disposition of the investigation. The agency shall not provide to the person any information that identifies the person who made the report, statements of witnesses, or police or other investigative reports.

(I) Any report that is required by this section, other than a report that is made to the state highway patrol as described in section 5120.173 [5120.17.3] of the Revised Code, shall result in protective services and emergency supportive services being made available by the public children services agency on behalf of the children about whom the report is made, in an effort to prevent further neglect or abuse, to enhance their welfare, and, whenever possible, to preserve the family unit intact. The agency required to provide the services shall be the agency conducting the investigation of the report pursuant to section 2151.422 [2151.42.2] of the Revised Code.

(J) (1) Each public children services agency shall prepare a memorandum of understanding that is signed by all of the following:

(2) A memorandum of understanding shall set forth the normal operating procedure to be employed by all concerned officials in the execution of their respective responsibilities under this section and division (C) of section 2919.21, division (B)(1) of section 2919.22, division (B) of section 2919.23, and section 2919.24 of the Revised Code and shall have as two of its primary goals the elimination of all unnecessary interviews of children who are the subject of reports made pursuant to division (A) or (B) of this section and, when feasible, providing for only one interview of a child who is the subject of any report made pursuant to division (A) or (B) of this section. A failure to follow the procedure set forth in the memorandum by the concerned officials is not grounds for, and shall not result in, the dismissal of any charges or complaint arising from any reported case of abuse or neglect or the suppression of any evidence obtained as a result of any reported child abuse or child neglect and does not give, and shall not be construed as giving, any rights or any grounds for appeal or post-conviction relief to any person.

(3) A memorandum of understanding shall include all of the following:

(a) The roles and responsibilities for handling emergency and nonemergency cases of abuse and neglect;

(b) Standards and procedures to be used in handling and coordinating investigations of reported cases of child abuse and reported cases of child neglect, methods to be used in interviewing the child who is the subject of the report and who allegedly was abused or neglected, and standards and procedures addressing the categories of persons who may interview the child who is the subject of the report and who allegedly was abused or neglected.

(4) If a public children services agency participated in the execution of a memorandum of understanding under section 2151.426 [2151.42.6] of the Revised Code establishing a children's advocacy center, the agency shall incorporate the contents of that memorandum in the memorandum prepared pursuant to this section.

(5) The clerk of the court of common pleas in the county may sign the memorandum of understanding prepared under division (J)(1) of this section. (K) (1) Except as provided in division (K)(4) of this section, a person who is required to make a report pursuant to division (A) of this section may make a reasonable number of requests of the public children services agency that receives or is referred the report, or of the children's advocacy center that is referred the report if the report is referred to a children's advocacy center pursuant to an interagency agreement entered into under section 2151.428 [2151.42.8] of the Revised Code, to be provided with the following information:

(a) Whether the agency or center has initiated an investigation of the report;

(b) Whether the agency or center is continuing to investigate the report;

(c) Whether the agency or center is otherwise involved with the child who is the subject of the report;

(d) The general status of the health and safety of the child who is the subject of the report;

(e) Whether the report has resulted in the filing of a complaint in juvenile court or of criminal charges in another court.

(2) A person may request the information specified in division (K)(1) of this section only if, at the time the report is made, the person's name, address, and telephone number are provided to the person who receives the report.

When a municipal or county peace officer or employee of a public children services agency receives a report pursuant to division (A) or (B) of this section the recipient of the report shall inform the person of the right to request the information described in division (K)(1) of this section. The recipient of the report shall include in the initial child abuse or child neglect report that the person making the report was so informed and, if provided at the time of the making of the report, shall include the person's name, address, and telephone number in the report.

Each request is subject to verification of the identity of the person making the report. If that person's identity is verified, the agency shall provide the person with the information described in division (K)(1) of this section a reasonable number of times, except that the agency shall not disclose any confidential information regarding the child who is the subject of the report other than the information described in those divisions.

(3) A request made pursuant to division (K)(1) of this section is not a substitute for any report required to be made pursuant to division (A) of this section.

(4) If an agency other than the agency that received or was referred the report is conducting the investigation of the report pursuant to section 2151.422 [2151.42.2] of the Revised Code, the agency conducting the investigation shall comply with the requirements of division (K) of this section.

(L) The director of job and family services shall adopt rules in accordance with Chapter 119. of the Revised Code to implement this section. The department of job and family services may enter into a plan of cooperation with any other governmental entity to aid in ensuring that children are protected from abuse and neglect. The department shall make recommendations to the attorney general that the department determines are necessary to protect children from child abuse and child neglect.

(M) Whoever violates division (A) of this section is liable for compensatory and

exemplary damages to the child who would have been the subject of the report that was not made. A person who brings a civil action or proceeding pursuant to this division against a person who is alleged to have violated division (A)(1) of this section may use in the action or proceeding reports of other incidents of known or suspected abuse or neglect, provided that any information in a report that would identify the child who is the subject of the report or the maker of the report, if the maker is not the defendant or an agent or employee of the defendant, has been redacted.

(1) Children have the right to protection from physical and emotional abuse during their involvement with the criminal justice process.

(2) Children are not responsible for inappropriate behavior adults commit against them and have the right not to be questioned, in any manner, nor to have allegations made, implying this responsibility. Those who interview children have the responsibility to consider the interests of the child in this regard.

(3) Child victims and witnesses have the right to have interviews relating to a criminal prosecution kept to a minimum. All agencies shall coordinate interviews and ensure that they are conducted by persons sensitive to the needs of children.

(4) Child victims have the right to be informed of available community resources that might assist them and how to gain access to those resources. Law enforcement and prosecutors have the duty to ensure that child victims are informed of community resources, including counseling prior to the court proceeding, and have those services available throughout the criminal justice process

(5) Child victims have the right, once an investigation has been initiated by law enforcement or the Division of Child and Family Services, to have their investigative interviews that are conducted at a Children's Justice Center, including both video and audio recordings, protected. Except as provided in Subsection (5)(b) and (c), interviews may not be distributed, released, or displayed to anyone without a court order.

(a) The court order:

(i) shall describe with particularity to whom the interview may be released and prohibit further distribution or viewing by anyone not named in the order; and

(ii) may impose restrictions on access to the materials considered reasonable to protect the privacy of the child victim.

(b) Following the conclusion of any legal proceedings in which the recordings or transcripts are used, the court shall order the recordings and transcripts in the court's file sealed and preserved.

(c)(i) The Division of Child and Family Services or law enforcement may distribute a copy of the interview:

(A) to the prosecutor's office;

(B) the Attorney General's child protection division;

(C) to another law enforcement agency; and

(D) to the attorney for the child who is the subject of the interview.

(ii) Any further distribution, release, or display is subject to this Subsection (5).

(d) In a criminal case, the prosecutor may distribute a copy of the interview to the attorney for the defendant or a pro se defendant pursuant to a valid request for discovery. The attorney for the defendant in a criminal case may permit the defendant to view the interview, but may not distribute or release the interview to their client. Any further distribution, release, or display is subject to this Subsection (5).

(e) Pro se defendants shall be advised by the court that an interview received as part of discovery is confidential and may not be distributed, released, or displayed without prior authorization from the court. A court's failure to give this notice may not be used as a defense to prosecution for a violation of the disclosure rule.

(f) Multidisciplinary teams or other state agencies that provide services to children and families may view interviews of children, and families for whom they are providing services, but may not receive copies.

(g) Violation of this section is:

(i) punishable by contempt if distribution, release, or display occurs before the resolution of the case and the court still has jurisdiction over the defendant; or

(ii) a class B misdemeanor if the case has been resolved and the court no longer has jurisdiction over the defendant.
