ASAE: Handbook of Professional Practices in Association Management

***When reading this article remember you are part of NDAA's leadership. With that comes the responsibility of being a steward of NDAA's mission.***

1. What is NDAA's mission?
2. NDAA's By-Laws state it will support its mission by what five (5) activities?
3. Is NDAA a 501c3 or a 501c6?
4. Who is NDAA and "what utility do you offer"?
5. What are the two largest resources an association needs to accomplish its mission?
6. Are there things NDAA is doing that perhaps are not core to our mission?
7. What does NDAA need to do to stay true to its mission?
8. What do prosecutors need today for us to achieve the mission we have always had?
9. Looking beyond the horizon, what do you see our members needing?
10. What steps can you take to improve the way NDAA implements its mission?
