INNOVATIONS IN PROSECUTION: THE COURTROOM, THE COMMUNITY, & THE OFFICE

NDAA's mission is to be the voice of America's prosecutors and to support their efforts to protect the rights and safety of the people.

Welcome!

We are excited to have you join us in Québec City for the 2019 National District Attorneys Association's Summer Summit. Over the next two days you will have the opportunity to hear a series of presentations and engage in panel discussions highlighting prosecution innovations in courtrooms, offices, and communities throughout the United States and Canada. These sessions will be taught by experts in the field including 21 elected District Attorneys.

Also, the NDAA staff has arranged some social events after class. There are ticketed events taking place throughout the conference including the Women Prosecutors Section 5th Annual Gala Dinner at Parliament and guided tours of the city.

I hope you enjoy your stay in Québec City and gain valuable insight into advances being made in the criminal justice system through prosecution. NDAA Summer Summits have always provided great learning experiences and this year's event should be no different. Please let me or Nelson Bunn, Executive Director of NDAA, know if there is anything that we can do to make your stay more enjoyable.

Yours sincerely,

The Sûreté du Québec – "Honor Guard"

Founded in 1870, the Sûreté du Québec was one of the first established institutions in Québec's history and is the only police organization to have jurisdiction over the entire territory of Québec. The development of this landmark figure is closely linked to the historical development and foundation of Québec's society.

The Sûreté du Québec, as the national police force, contributes to maintaining peace and public order, preserving life, safety and fundamental human rights and protecting property. The Sûreté du Québec also supports the police community, coordinates major police operations, contributes to the integrity of governmental institutions and ensures the safety of transport networks under Québec jurisdiction.

At the head of the largest police force in the province, the task is not small, but it is with integrity, respect and professionalism that this force leads their troops and has sustained the test of time today.
