The NDAA 2024 Job Fair is an exciting opportunity for you to meet a number of prosecuting agencies seeking to hire persons for entry-level and lateral positions. Justice-driven students and attorneys who have a passion for advocating for the rights of all involved in the criminal justice system should attend. Multiple networking opportunities will be available to enhance your experience.

PROSECUTOR ADVOCACY DAY: January 29–30, 2024

Coinciding with the 118th Congress, NDAA's annual policy conference gives you the opportunity to hear directly from Administration, Federal agency and Capitol Hill speakers over the course of two days. On day one, you'll be treated to presentations from influential Members of Congress as well as key stakeholders in President Biden's administration. Following a full day of presentations, you will then have the chance to schedule a full slate of meetings with your Congressional delegation.

When scheduling these meetings, use NDAA's Contact Your Legislator tool (QR code at right) to find your members of Congress and contact the appropriate staff.

Juvenile Justice

The Juvenile Justice Division of NDAA (JJ-NDAA) is dedicated to meeting the training needs of juvenile court prosecutors, providing technical assistance to aligned professionals in the juvenile justice area, and collaborating with prosecutor groups, law enforcement and other stakeholders on addressing issues in this system.

JJ-NDAA compiles and shares information about implementing strategies on evidence-based programming, interventions, and system-based reforms to reduce the number of justice-involved youth, reduce recidivism, and provide for community safety. JJ-NDAA also publishes materials, available for free on the NDAA website, to assist both the new juvenile court prosecutor and the experienced leader in the field.

JJ-NDAA looks forward to seeing the results of its work when jurisdictions across the country adopt its forthcoming curriculum and video for strengthening youth and law enforcement relations. Holding youth accountable, when those youth are responsible for delinquent acts, can be complicated work; we are here to help you through it. Operating under a grant from OJJDP, JJ-NDAA is able to offer its trainings, technical assistance and publications free to the consumer, both NDAA-member and non-members alike.
