

National Prosecutor Retention Survey Messaging Mini-Toolkit

This messaging mini-toolkit is designed to help you share the crucial findings from the [NDAA National Prosecutor Retention Survey report](#) with your communities. This toolkit aims to raise awareness about the significant challenges faced by prosecutors nationwide and to advocate for the necessary support and changes needed to address these issues.

These messages are intended for use on social media platforms, newsletters or in emails to effectively communicate the survey results and their implications. Feel free to customize these messages to fit your specific audience and platforms. Together, we can make a meaningful impact on prosecutor recruitment and retention.

SURVEY RESULTS AWARENESS

- Just reviewed the findings from the NDAA National Prosecutor Retention Survey. While 93% of us love serving our communities, many face significant challenges, including personal well-being, pay, and heavy caseloads. It's crucial for us to address these issues together.
