## VETERAN CAPITOL HILL STAFFER AND POLICY STRATEGIST TO LEAD NDAA'S ADVOCACY EFFORTS

**Arlington, VA** – The National District Attorneys Association (NDAA) is pleased to announce the hiring of Daniel Spino for the key position of Director of Government & Legislative Affairs. A skilled policy analyst and strategic communicator, Spino has over a decade of experience cultivating prosperous relationships with congressional leaders and stakeholders on Capitol Hill and in the non-profit sector.

"Daniel's deep expertise in congressional affairs, track record of legislative success, and strategic mindset will be invaluable assets as we advocate for prosecutors and promote public safety," said NDAA Executive Director Nelson Bunn. "With his leadership, we will strengthen our ability to partner with lawmakers on policies and initiatives that champion the interests of America's prosecutors."

In his new role, Spino will spearhead the NDAA's government relations and legislative affairs priorities at the federal level. He will serve as the primary liaison with Congress, the Administration, and other stakeholders on matters impacting prosecutors and the criminal justice system. Spino will also guide the Association's legislative strategy by drafting policies, contributing testimony, and mobilizing members for advocacy campaigns.

"I'm honored to join the NDAA team and I'm eager to further its mission to support prosecutors and promote fair, effective criminal justice policies nationwide," said Spino. "I look forward to listening to and working with our members to gain a frontline perspective to successfully advocate and partner with lawmakers to enhance justice and safeguard communities."

Spino joins the NDAA after serving as the Legislative Affairs Manager at the National Center for Missing & Exploited Children, where he successfully advocated for legislation surrounding missing and exploited children. Previously, he spent over 6 years as a professional staff member with the U.S. Senate Homeland Security and Governmental Affairs Committee. Spino holds a B.A. in English with a minor in Law from George Mason University. He currently resides in Arlington, VA.
