

Substance Use Issues in Juvenile Court: An Overview for Prosecutors
September 16, 2020
3:00-4:30 EDT

Speaker: Susan Broderick, NDAA

This webinar will provide an overview on the latest research around substance use disorders and recovery. Given the preventable and potentially chronic nature of problematic substance use and its correlation with offending, prosecutors in juvenile court have an important and influential role to play in both preventing and addressing use early on. The concept of recovery support will be covered as well.
